Character	Song
Max Bialystock	<p>BETRAYED-            " Just like Julius Caesar            Was betrayed by Brutus            Who'd think an accountant            Would turn out to be my Judas?            I'm so dismayed            Is this how I'm repaid?            To be...            Betrayed!            BETRAYED!!"</p>
Leo Bloom	<p>THAT FACE-            " When suddenly I stumbled on that face            That face, that face            That dangerous face            I mustn't be unwise            Those lips, that nose, those eyes            Could lead to my demise            That face, that face            That marvellous face            I never should begin            Those cheeks, that neck, that chin</p> <p>Will surely do me in            I must be smart            And hide my heart            If she's within a mile            If I don't duck            I'm out of luck            She'd kill me with her smile"</p>

Don't think twice!            When you've got it, share it            Let the public feast upon your charms            People say that being prim is proper            But every showgirl knows that prim will stop her"</p>
