

Become a LAODS Patron

Lend your vital support to your local independent Operatic & Dramatic Society, and receive the following benefits...

One free ticket to all productions produced by LAODS for the year:

Our yearly output normally comprises of a) our summer musical; b) our Christmas Show at the Green Room Club and c) a one act play in March, in which our performers are a part of a straight play. As a patron you will receive one free ticket to each of these productions.

Priority booking for friends and families for all shows (able to book tickets before general release)

As a patron you will receive news of ticket availability at the same time as the performers, which guarantees you the best seats in the house. The priority booking is available at least a month in advance of the general public.

An honorary member of LAODS

As a patron, you are an honorary member of LAODS. All our social and fundraising events, which are chargeable to standard members, are free. These include quiz nights; 'Stars in Their Eyes' performance events; musical film nights; wine tastings, our summer barbecue in July and our New Year's Eve party. This list grows annually.

Invitation to the Patron's and Sponsor's night of the main LAODS show

During the run of our summer musical, we designate one of the evenings as our Patron's Night, to which we invite local dignitaries. Our patrons are invited along to the after-show reception for a complimentary drink and to meet and greet with the Civic party, along with the president of LAODS. The most recent Patron's Night included the Chairman of West Lindsey District Council and the Mayor of Lincoln City.

Patron names displayed in the main show program

Your name will appear in our summer musical program.
